The Mason LINE

by Chan Mason

TO ALL POLITICAL CANDIDATES:

Take a tip from the McCarthy hearings. Get your opponent in a corner if you must, but never, never give the impression you are badgering him—if you do you'll be sorry. Football coaches who let their teams run up huge scores against weak opponents have found that out. Hunters who refuse to give their quarry a sporting chance are detested by the true sportsman.

'Twas always thus and always will be in America!

—ML—
It has been our policy to keep politics out of our column and we will continue to try and stay within that self-imposed rule. However, we do want to break over just a wee bit and recommend to you two very good friends of ours namely:

JOHN B. GIBSON, who is running for the 77th Assembly District and WILLIAM "BILL" HOWELL, candidate for sheriff.

We have known Johnny Gibson and his family for some nine years. We know him to be a fine honest capable business man and a tireless civic leader. We were one of those who worked hard on John in order to get him to run for this office.

Away back in our college days, Bill Howell was a classmate and fraternity brother of ours. We have followed his career rather closely since then and his record for some seventeen years as a member of the Highway Patrol speaks for itself. He has been a fine officer and a gentleman. As a family man with youngsters of his own and because of the past record of his work with the youth of our county we know that Bill Howell will put his plan for a Junior Sheriff's posse into effect and make it work.

Over My Shoulder

By A. F. "TONY" SONKA

There are so many things in my files that bring pleasant memories of Lemon Grove of yesteryear that the problem becomes one of what to write. Some of the things that I have saved against such a time when I could properly publicize them came up in my files last week.

I have three items which could be a help to many people if they would take the time to study them. At least they seem to me to augment the Golden Rule so I give them to you for what they are worth.

GRIN

When the problems of life seem too many
And you scarcely know where to begin,
Just throw back your shoulders
And swallow that sob
And face the old world with a grin.

THE OPTIMIST'S CREED

Promise yourself
To be so strong that nothing can disturb your peace of mind.
To talk health, happiness and prosperity to everyone you meet.
To make all your friends feel that there is something fine in them.
To look at the sunny side of everything and make your optimism come true.
To think only of the best, to work only for the best and expect only the best.
To be just as enthusiastic about the success of others as you are about your own.
To forget the mistakes of the past and press on to the greater achievements of the future.
To wear a cheerful countenance at all times and give every living creature you meet a smile.
To give so much time to the improvement of yourself that you have no time to criticize others.
To be too large for worry, too noble for anger, too strong for fear and too happy to permit the presence of trouble.

TO MY PAL

Does anyone know? Does anyone care?
Where you go or how you fare?
Whether you smile or whether you sigh?
Whether you laugh or whether you cry?
Glad when you're happy? Sad when you're blue?
Does anyone care what becomes of you?
I do, pal, I'll say I do.

FORTUNE GORDIEN, S. F., world's champ discus thrower—"Some guys build great bridges. Some minister to human needs. But me, I throw a pie plate farther than anybody. Silly, isn't it?"

WHICH ONE WOULD YOU PICK?

This bevy of lovely young ladies were among the candidates for the title of May Queen of the Dance last week at the Lemon Grove Junior High School. It took a lot of study and the voting was close. The winner is named in the accompanying article. See if you don't agree.

The candidates pictured above are Janet Baxter, Linda Waters, Karen Markussen and Martha Valdez. In the front row are: Judy Wallace, Diane Browne, Margie Lyons and Lois Bardstreet.

Martha Valdez of the 8-4 class was chosen Queen of the May Friday evening at the annual May Queen Dance sponsored by the Lemon Grove Junior High student council. At the same time the students voted John Hale of the 7-1 class as king to accompany the queen in the second grand march of the evening. Boys and girls from the eighth and seventh grades who attended the dance, the first held in the new cafeteria by the students, voted by ballot for the queen and king from candidates sponsored by the homerooms.

The queens presented were Bonnie Pickens, Marjorie Lyons, Linda Denlinger, Diane Brown, Judy Rank, Linda Walters, Janet Baxter, Sue McDonald, Karen Markussen, Marti Valdez, Lois Bardstreet, and Judy Wallace. Sue Ann McDonald, president of the student council, crowned the queen before the second half of the evening began.

King candidates included John Hale, Bernard Young, John O'Connor, Philip Winkler, Ben Randall, John Conlee, Jim Hegranes, Ken Smith, Chuck Taylor, Burnell Lurcock, and John Taylor. The hall was decorated by the students headed by Sandra Perry and Sharon Cassell. Cakes were sold by a refreshment committee. Harry Butler, social studies teacher, was in charge of music for the evening. Keith Dolan, faculty advisor to the council, was assisted by the following chaperones: Peg Darroch, Evelyn Whalen, Virginia Cornelius, Genevieve Oliphant, Jack Lemmer, Ben Seiler, Hal Brogan, Albert Van Zanten, and Ben I. Schei, school principal.

Rotary Club to Receive Charter

The Lemon Grove Rotary Club is scheduled to receive its charter at a special affair at the El Morocco on Federal Blvd. on June 15. Hosts at the affair will be the La Mesa Rotary Club and the charter will be presented by Bruce Shangle, Rotary District Governor. Speaker for the evening will be Governor-elect Walter Hepler. President of the local Rotary Club is Harry Griffen.

Michael's, where the Rotary Club meets every Monday, is to cater the affair and more than 125 guests are expected which will include Rotarians and their wives.

The Political Picture

Hundreds of thousands of words, miles and miles of type, and tons of newspaper have been used to bring information to readers about the political aspirants whose fate rests in the hands of the voters on Tuesday, June 8.

THE REVIEW has run more material than it normally does, and has intentionally favored James Utt as U.S. Congressman; Ralph Cloyed as State Senator; Bill Howell as Sheriff and John Gibson as State Assemblyman.

Culling through the material we have on hand, supplied either by the candidates themselves, or by their committees, we offer a run-down of these office seekers. Those who have been omitted were left out only because material was not on hand when the list was compiled.

STATE SENATOR
RALPH CLOYED
Ralph Cloyed, Republican, charged that incumbents failed to represent the city and county and to uphold his party platform by absenting himself from 41 per cent of the roll calls in the 1953 legislative session.

STATE SENATOR
JIM EDMUNDS
Democratic candidate laid down these "must" items for his program: 1. Development of new water sources; 2. Encouraging new industry; 3. Building of low-level highway; 4. An increased and well-planned school building program; 5. Adequate liquor license controls; 6. Fair distribution of the tax burden.

GOV. GOODWIN KNIGHT
All indications point to a bipartisan triumph for Governor Goodwin J. Knight at the primary election next Tuesday.

This is the consensus of polls, endorsements and an ever-mounting stream of pledges of support noted at Governor Knight's headquarters.

U. S. SENATOR
SAM YORTY
Officially endorsed Democratic candidate, also received endorsement of two more railroad unions—the Railway Clerks' Division of Railway Labor's Political League and the Order of Railway Conductors of America.

ASSEMBLYMAN
ED BULEN
Assemblyman Ed Bulen said that he was "extremely gratified and pleased" with the tremendous number of telephone calls, telegrams, letters and personal words of confidence he has received from his constituents since the incumbent of his secretary's salary. **SUP. PUBLIC INSTRUCTION**

Forrest Dokken Relieves Campbell As Telephone Co. Manager

Announcement of the appointment of Forrest Dokken, as manager of the La Mesa Telephone Exchange succeeding Sidney Campbell, was made this week by the Pacific Telephone and Telegraph Company.

Dokken recently has been exchange supervisor in the company's West Division in Los Angeles. Born and raised in Wisconsin, the new manager started his telephone career as a coin box collector in Los Angeles in 1946. He has since held various managerial responsibilities including that of service engineer, coin box collector supervisor, assistant manager in Hawthorne, public office manager in Inglewood and Los Angeles and unit manager in Los Angeles.

He and his wife, Mary Jane, have one son, Forrest, Jr., aged seven.

In making the announcement District Manager Russell Kliegel, praised the work of Sidney Campbell during his 25 years of service with the company before his recent resignation. Campbell was named local manager in January 1950 succeeding Cecil Adams. At that time he managed the El Cajon, Ramona, Julian, Mesa Grande and Warner Springs Exchanges.

The unprecedented telephone growth in all of these areas was the chief reason the telephone company decided to split its managerial responsibilities in these exchanges. The number of telephones in the La Mesa exchange alone has more than doubled during the four years Campbell has been there. He also played a big part in converting the local telephones to the seven digit dialing pattern last January. This conversion places local telephone subscribers one step closer to nation wide operator toll dialing and eventually to customer dialing.

Campbell started his telephone career as advertising salesman in Los Angeles. He has had special assignments in the San Diego Telephone District and other supervisory and managerial positions before being named local manager. He is a graduate of Bradley University, Peoria, Ill.

Campbell has been active in La Mesa fraternal and civic organizations since moving here in 1943. He and his wife have three sons.

State Superintendent of Public Instruction, said that "juvenile delinquency is the natural result of the so-called Progressive system of education."

ASSEMBLYWOMAN
BARBARA L. HAYES
Mrs. Barbara Lang Hayes is launching a vigorous campaign to win the nomination over Sheridan Hegland for the seat in the 77th Assembly District at stake in the June 8th Primary. She is an attorney.

DISTRICT ATTORNEY
E. L. BRACKLOW
Edward L. Bracklow appealed to San Diego citizens not to be disfranchised in their vote for District Attorney. He said that consideration of the present District Attorney for Federal Judge, should awaken voters to the danger of leaving this office open to appointment instead of vote of the people.

U. S. SENATOR
THOMAS KUCHEL
U. S. Senator Thomas Kuchel is campaigning on his record of accomplishment in the Senate—a record that is seldom, if ever, matched by a junior Senator from any state. And he is on president Eisenhower's "team," backing the policies of the Chief Executive in his aim to aid the economy of the nation to reduce wasteful spending.

DIST. ATTORNEY
GEORGE BRYANS
San Diego County attorneys have voted to endorse the candidacy of George E. Bryans. The San Diego County Bar Association announced that Bryans received the highest number of votes cast for any of the five candidates seeking the office in a secret plebiscite.

STATE SENATOR
FRED KRAFT
State Senator Fred Kraft outlined the results of California's 1954 Legislature, which produced re-organization of liquor control, a tight budget, greater public school construction bond financing, strengthened narcotics law and liberalized unemployment benefits.

EQUALIZATION BOARD
BILL BONELLI
Former California Governor Frank F. Merriam this week praised William G. Bonelli "as a public official who cannot be bullied, or bluffed, or bought" in a letter endorsing the incumbent Bonelli's candidacy to succeed

HARRY OWENS TROUPE TO PLAY L. G. MARKET

Harry Owens, Hilo Hattie and Lei Aloha, all stars of the famed Hawaiian teevee program, will be visitors to Lemon Grove Monday.

They will visit Clarence Milbrodt's Piggly Wiggly store between 2:30 and 3:30. The presentation is by arrangement with Regal Amber Brewing Co.

Dear Congressman, Please Tell Me . . .

While attention is being focused on the political picture it is interesting to note a new book just published by Dewell, Sloan and Pearce, written by Jewell Lowell, "Dear Mr. Congressman."

It plays on one of the great American pastimes of writing your congressman.

Because the timing is appropriate we reproduce a few specimens below:

"Dear Congressman Becker: Don't vote on anything more. You already done enough damage."

"Dear Senator Morse: Why don't you rent yourself out to haunt houses?"

"Dear Congressman Powell: A friend told me that he sent my name to the FBI to put on their subversive list. When do I start getting benefits?"

"Janitor, Congress Building: I would like to put bomb in Capitol building and blow up whole dam place. I never did nobody no harm so please tell me when you plan to be out of the building."

"Dear Congressman Klein: My husband was lonesome for me and left camp without getting a pass and now I'm pregnant. Should this have been done by his commanding officer?"

"Dear Congressman Blatnik: What are you doing about everything?"

"What is a congressman-at-large? Could this be dangerous?"

"Dear Senator Kilgore: Please try to have them put off the next presidential election. I already had enough of this one."

BIDS OPENED ON SIX NEW CLASSROOMS
Van der Wyk and Lewis was awarded the contract for building six new classrooms at the Golden Ave. School. Their bid, the lowest of eight, was for \$75,000.

Funds will become available on June 10, from the bonds sold last September. Clyde Hufbauer was the architect.

ART INSTITUTE OPENS SATURDAY
San Diego Men's Art Institute will open its new gallery with an exhibition of members' paintings on Saturday and Sunday, June 5 and 6, from 1:00 to 5:00 p.m. The public is invited to attend the opening.

Fire Ball to Be Friday

Friday night is the red letter date for the Lemon Grove Fire Department.

Their annual ball, which attracted about 300 persons last year, will be held Friday night at the Lemon Grove Junior High School Cafeteria.

This year Wally Toomire will play for dancers. A varied program of entertainment has also been arranged. Informality will be the rule with broom, tag and lemon dances added to conventional ones.

The Firemen's Relief Association, sponsors of the ball, will benefit. This is the organization which looks after the needs and welfare of the firemen and their families in times of stress.

Tickets at \$1 each are available from any fireman and at the Fire House.

Refreshments will be served and there will be door prizes.

AIR FAIR SET FOR JUNE 13

An Air Fair and Flight Breakfast will be held Sunday at the La Mesa Airport (which is actually closer to Lemon Grove) Sunday, June 13.

A series of flight contests including spot landing and bomb dropping will be held. Demonstration of the helicopter and flight pattern exhibition will also be offered.

The Sweetwater Sky Ranch Dining Room which operates in conjunction with the airport will offer a special breakfast from 8 a.m. Lunch and dinner will also be offered. Flights from all over the state and Arizona and Nevada are expected to participate. The affair is open to the public and no admission charge will be made.

Who Came First, Chicken or the Egg?

The battle waxes hot as dissident would-be historians compare notes as to who was located where in the early days of Lemon Grove.

Discussion started as a result of Lemon Grove Review's columnist Tony Sonka taking a backward look at the community. This brought on reminiscences between Robert Lindley, Owl-Rexall druggist, and Jack Sanders, Lemon Grove Hardware proprietor.

After hours of note comparing an almanac checking they apparently agreed on these facts: The Lemon Grove Hardware opened nine years ago and Lindley's Drug Store shortly thereafter. They claim to be the only present businessmen who have the same location as they had in 1945. Notable exception is Anderson's Service Station, they say.

This good natured argument which had its start when most of the business district was a pasture and the only improved corner location were those of George Castled and Lindley's.

"The place got too fast for George," Jack Sanders said. "He moved to the suburbs, out at Buena Vista and Broadway the other day," he chuckled.

The argument will probably be going for another nine years when the whole block in which these men are located may be razed to make way for Lemon Grove's first skyscraper. Lenox Foto.

The Dimmer VIEW

by Max Goodwin

I was recently reading with interest an article in which the writer propounded the theory that one certain way to raise our taxes and upset the orderly functions of government is to bid for or encourage the election or appointment to public offices of those of low caliber and questionable mental capacity.

The writer then proceeded to show that low salaries attract poor personnel but on this I do not agree. While most people will agree with me that our public servants are discouragingly underpaid, I do not think that monetary consideration is the controlling factor. I hold that the more lucrative that political positions are the more attractive they will be to the "bird-brains." It stands to reason if some of the incompetents tear their shirts to get elected to an office that hardly pays enough to avoid the necessity for splitting a stenographer's salary two ways in order to make existence possible, we can only infer that there is an attraction which transcends that of money.

I say we ought to make public office salaries high but require the office seekers to stand I. Q. and capability tests and moral checks, and make these examinations at least as tough as some of the civil service examinations required of even the most menial civil service employee.

I'll bet you a buck that if these tests were required this year we would have some new names and faces in political places.

This is my way of saying that the Review this issue is carrying messages of incumbents and aspirants, some commendable and some condemnable. We have made our choices known in weeks past and in order to give as fair a shake as possible to the poor wretches who aim to curry the favor of the public, each two or four years depending on the office, we are offering as many "last-gasp" items as space permits.

The ten judges in the County of San Diego Courts are due, with one exception (Borrego) for a comfortable increase in salaries. The San Diego Union of May 19 listed the total prevailing salaries at \$10,960.00 which was a long way from the truth. The correct figures (and the Review always tells you facts) are these—

	Present	New
Borrego	\$ 300	\$ 300
Coronado	4,800	5,400
Encinitas	4,800	6,000
Escondido	4,800	6,000
Fallbrook	3,120	4,800
Homeland	3,120	5,100
Jacumba	2,040	2,400
National City	6,600	7,200
Ramona	3,120	4,800
Vista	3,780	5,100

\$36,480 \$47,100
The Judges appear to be doing pretty well at that. The Chief Administrator's office was unaware of the San Diego Union's erroneous figures when we checked with them. So there you have it!

JOB OPPORTUNITIES TOLD JR. HIGH STUDENTS

A series of discussions on occupational opportunities for youth is being held at the Lemon Grove Junior High School. H. W. Rubottom, head of the training department of Conair, told the eighth grade students of the types of positions in aircraft work and the amount of training necessary for advancement will also be stressed.

Earlier, Dr. Will C. Kidwell, director of teacher placement at State College, spoke to the eighth grade boys and girls on the many opportunities in the teaching profession, stressing the positions opening in special fields of education as well as the shortage of classroom teachers.

Further discussions in this series will deal with training for such professions as medicine, dentistry and nursing.

Contributions Still Being Accepted For Swimming Pool

Small contributions are still dribbling in to the Lemon Grove Swimming Pool project, according to Ben I. Schei, principal of the Intermediate School.

One such contributor who thought anonymity would be the better part of valor sent in a check for \$5. Schei, principal, Lemon Grove Intermediate School, Lemon Grove, Calif.

Dear Mr. Schei: A number of things occurred the recent weekend which prevented our attending the Lemon Grove Fair. We want to make a contribution to the Swimming Pool Fund in lieu of attendance at the fair and are therefore enclosing a check for \$5.00. Please fill it in to the proper recipient.

May we suggest that you tell the Lemon Grove Review that you are receiving checks from people who were not able to attend the carnival. You understand we do not want any publicity, but we just thought that some such suggestion in the newspaper might find followers. I'm sure Mr. Goodwin would be glad to plant such a seed.

SHOPPERS ARE FUNNY

By ROBERT TURNBULL

Have you noticed the new parking arrangement at "Big Ace"? If you haven't then you've been parking wrong. The old method of parking straight-in is out and the latest trend of diagonal parking has taken its place. We hope that you shoppers will enjoy the diagonal way better than the straight-in method.

One of the grocery managers, Eddie Morgan by name, is one of the most popular checkers "Big Ace" has. He'll take over a register whenever the floor gets crowded with people. He always has a smile on his face and likes to tease the customer just enough so that she'll go home contented with the "Big Ace" personnel. By teasing the customer I mean that Eddie scares them a little while checking through their groceries. For instance he'll put a sack of apples on the scale and say, "Now let's see, we have three pounds of apples at 97¢ per pound . . ." At the instant Eddie says 97¢ the customer jumps a good six inches off the floor and turns white until she realizes Eddie was just pulling her leg. Or he might state that some lady just bought 46 cans of baby food when she only bought 25 of them. They always have that puzzled or frightened look on their face before Eddie tells them the truth. The prospective buyer always gets a kick out of Eddie's antics. Another reason why "Big Ace" is the most popular market in Southern California.

Don't forget that "Big Ace" is open seven days a week from nine in the morning 'til ten at night. (By the way, when Mayfair market takes over "Big Ace" green stamps will be issued to the customer as per usual—so they tell us now).

BEWARE OF MUSSELS DURING SUMMER MONTHS

The yearly quarantine on California mussels is now in effect from Oregon to the Mexican border and will remain until October 31, 1954, reported Dr. J. B. Askew, director of the S. D. Department of Public Health.

"Quarantine is absolutely necessary because mussels during the summer months produce one of the most deadly poisons known to man," Dr. Askew said. "One taste of a poisonous mussel may be fatal," he warned, "and there is no sure way to tell if a mussel is safe except by laboratory test."

FOR 100% CITY-COUNTY AGGRESSIVE REPRESENTATION

Elect RALPH CLOYED TO THE STATE SENATE

"Vice Chairman Joint Water Problems Committee"

Important Message to Democrats

Keep THOMAS H. Kuchel YOUR U.S. SENATOR

Once in a while an election comes along in which one of the candidates so far outclasses his opponents that all other considerations are unimportant. This is true of the present senatorial election. That is why Senator Kuchel is actively supported by ever-increasing thousands of sincere Democrats.

When you compare the brilliant record of Senator Kuchel with that of his opponents, you will quickly find that there just isn't any basis for comparison on any count.

Senator Kuchel's record as our Senator in Washington has been outstandingly successful. Many important bills he introduced have been enacted into law, including many of special importance to California and San Diego County. One measure eliminated tax immunity for certain corporations, thereby lightening the tax burden of small property owners. Another measure, the Tideland Bill — will bring our state millions in revenue.

His life-long record in public office. He has never been defeated in any election and has consistently been supported by voters from all parties because he has proven he is an able progressive public servant of the highest type. Both former Governor Warren and President Eisenhower have publicly praised his "outstanding public service."

Senator Kuchel's philosophy is that of President Eisenhower's, liberal when it comes to human questions and conservative when it comes to economic ones.

We urge every registered Democrat to vote to keep Senator Kuchel in the primary election, June 8th.

Hawkins, president of the Society, at Encinitas, California, on Sunday afternoon, June 13th, and promises to be an interesting one. Members may bring birds of their own for identification as to type, and discussion of breeding problems will be a feature of the meeting.

DRIVER HEADS COORDINATION OF "PAT" BROWN CAMPAIGN

Robert F. Driver, prominent San Diego insurance broker, has been appointed coordinator of the San Diego County Campaign Committee to Re-elect California's Attorney General Edmund G. "Pat" Brown.

Driver, active in Brown's victorious campaign of 1950, said: "Pat" Brown has brought dignity to the office of attorney general. In so doing, he has elevated the standard of all public office holders.

Graves Says Racetrack Money Helps Knight

Richard Graves, Democratic candidate for Governor, has charged that the Republican campaign for Governor Goodwin J. Knight received "in excess of \$35,000 in contributions from the race track interests of California."

Speaking at a breakfast meeting recently in Santa Rosa, Graves asked Knight, "What did you have to promise, Governor, in order to get contributions ranging from \$4,000 from Golden Gate Fields to \$15,000 from Santa Anita?"

The Democratic candidate asked further, "What kind of a deal did you make, Governor, in order to get more than \$30,000 in contributions from members of the Associated General Contractors—the men who build many of the State's highways and buildings?"

"The people of California are entitled to a state government run for their benefit, and not for the benefit of the powerful special interests," Graves said.

Feeling for "Pat" Brown, both as California's chief law enforcement officer, and as a man.

"Attorney General Brown operates his office with favor toward none. He is truly a great public figure, and a man of whom all California should be proud."

Driver is president of the Community Welfare Council in San Diego.

Sweetwater Sky Ranch Dining Room to Re-open

These are the brain-and-brawn of the newly remodeled Sweetwater Sky Ranch Dining Room, on Jamacha Road at Sweetwater Springs Blvd.

Mrs. N. Johnston, former manager of the famous San Carlos restaurant at Phoenix, will manage the dining room. The kitchen is under the direction of chef

Joe Eaton will throw open his newly remodeled Sweetwater Sky Ranch Dining Room and cocktail lounge in a three day opening celebration starting Friday at the sprawling 54 acre La Mesa airport on Jamacha Road, east of Lemon Grove.

The dining room is a converted ranch house. Eaton acquired a liquor license earlier this year, installed a cocktail lounge, and enlarged the dining floor area by glass-enclosing the huge porch which wraps around the building. An area has been set aside beneath the towering trees on the lawn of the dining room for all fresco dining. All of these facilities were designed to give diners a commanding view of the adjacent airfield.

The site is the home of the world famous Sweetwater Springs which pours forth 100,000 gallons of water each day. This water is said to have therapeutic properties and a resort type development is said to be planned nearby when sewers become available. Developers plan to in-

stall a \$3 million in the project, it is said. At one time the Santa Fe Railroad transported this water and this haulage produced the greatest source of revenue the railway had.

The adjacent airport hangars 15 planes and has tie-downs for 50 more.

Associated with Eaton are Mrs. Nellie Johnston, former manager of the San Carlos Restaurant in Phoenix. She will be in complete charge of the operation. Burrell Gowen, former chef of the McAlpin and San Moritz hotels in New York will be in charge of the kitchen. Eaton is a well-known foothills business man. He operated a Dodge agency in La Mesa for 9 years.

Reservations are suggested for the opening event. The dining room will be open to the public during week-ends. It is available at other times for private parties, Eaton said.

Hills, Former Residents, Are Guests of Snyders

Mr. and Mrs. John A. Hill and daughter, Joyce, formerly of Lemon Grove, are arriving from Bremerton, Washington, Friday, for a two weeks visit with Mr. and Mrs. Burt Snyder of 2032 Washington.

The Snyders will hold open house in their residence Sunday from 2 to 6 p.m. when all friends of the Hills are invited to call. Mr. Hill was very active in civic affairs when the family lived in the Grove.

V.F.W. AUXILIARY TO MEET TUESDAY

The regular meeting of the VFW Post and Auxiliary 2082 of Lemon Grove, will meet Tuesday, June 8, at 8:00 p.m. in the VFW Hall.

An Editorial

By MAX GOODWIN

One of the greatest dangers inherent in seeking political office is the necessity some candidates face of giving up one office to try for another. Such is the case in the matter of Ralph Cloyd, present Assemblyman who is seeking the office of State Senator against Fred Kraft.

Ralph Cloyd has in my opinion contributed more than any other governmental representative to good government. He has been active on important legislative committees. He has helped spearhead new legislation on narcotics, bay development, liquor and budget items. It is no secret that some Board of Equalization personnel are fighting against him because of his proposed liquor reforms and God knows we need a cleanup of the liquor department.

In our Department of Inconsequential Facts we find that Ralph Cloyd has been the subject of 32 editorials during the past year in San Diego County, all of them commendable. We have not seen an editorial of commendation for Cloyd's opponent, Fred Kraft. We hold Cloyd in such high esteem because of his honesty, integrity, devotion to duty and his respect for his fellowman, and we unqualifiedly recommend him for your vote.

If Ralph Cloyd is keeping tabs on editorials in his favor, he may number this 33.

Women Supervisors Sought by State Youth Authority

Women with a background of teaching, social work or youth guidance may qualify as group supervisors at Youth Authority correctional schools or clinics, the State Personnel Board says.

Candidates successful in the July civil service examination will be placed on the employment list for openings as they occur.

The jobs are known as head group supervisor, paying \$436 to \$530 a month, assistant head group supervisor, which has a salary range of \$376 to \$458.

Head group supervisors are responsible for direction of the staff of group supervisors and the program of custody and supervision of boys and girls. They also advise on disciplinary and problem cases.

Assistants plan work assignments of the group supervisors and maintain standards of uniformity and continuity of custody, treatment and training.

Complete details and official application forms may be obtained from the Department of Employment on Columbia st.

(a liquid spray containing 44% Chlor-dane)

Is an easy-to-use, multi-purpose insecticide that kills Lawn Moths, Sod Webworms, Ants, Earwigs, Cutworms and many other insects by vapor action and contact.

Lawn moths flying over the lawn at dusk, deposit their eggs. The resulting larvae feed on grass roots and young grass blades leaving brown dead areas in lawn. Their damage will be particularly heavy this year due to mild winter and wet spring. Control with Chlor-dane dust or spray every two to three weeks.

FIRST ANNUAL MUSIC AWARDS MADE

LENOX FOTO

Almost 180 music parents saw the presentation of awards last week at the Lemon Grove Junior High School Cafeteria when the first annual awards dinner was held.

Pins were distributed to outstanding youths and a cup was given to the best musical aggregation.

FIRST AWARDS BANQUETS WELL ATTENDED

The Lemon Grove Music Parents' Club wishes to thank all those who made the two awards banquets such a complete success. The first, held on May 19, for vocal students, was attended by 192 students and their parents. The following week another dinner was given for the instrumental students and their parents; 162 were present.

Especially to be commended are Mrs. Pfister, cafeteria manager, and her staff, for preparing such delicious meals; Mrs. Hanson, Home Economics teacher, and girls from her class, for serving so efficiently; and Mrs. Virginia Cornelius and her art students for providing such clever and appropriate decorations. Various musical instruments, executed in paper sculpture, graced the tables, and flower holders were miniature baby grand pianos. Mrs. R. C. Taylor made beautiful corsages for the honored women guests.

Awards were presented by Mr. Paul Cheatham to those graduating students who in his opinion had made the most of their opportunities in music.

"It is hoped and expected that these award banquets will become annual affairs," said Mrs. Grover McMahon, president, who so successfully headed the group which realized this dream of long standing.

APPELLATE COURT JUSTICE MAURICE T. DOOLING, S. F.—"Justice is breaking down through delays in bringing cases to trial. Either more courts are needed, or there is some inefficiency."

In the above photo are Mrs. Grover McMahon, president of the Music Parents Club; Paul Cheatham, director of music of the school district; Martha Valdez, Barbara Thomas and Melvin Stover, the latter of which received awards.

Forrest Baxter, not pictured, was m.c.—Lenox Foto.

Civil Defense Notes

Charles Gurley HO 6-3745

The next class in Red Cross first aid has been arranged by Mrs. R. B. Hayhurst for next Thursday, June 3 at 7:00 at the Lemon Grove Woman's Club house with Roland T. Purvis as instructor. At that time the most suitable time for further meetings will be decided, according to the wishes of the class.

While these classes are primarily arranged for civil defense workers, any member of the public is welcome to attend at no cost or obligation, as we believe the information and training received will improve any person receiving it and will benefit the entire community.

If you happen to be one who would like to take these first aid instructions but prefer a different time, if you will make your preference known to Mrs. Hayhurst, your choice will be considered.

KNIGHT is RIGHT

FOR CALIFORNIA

THE AFL SAYS: "There is only one candidate for Governor who is worthy of Labor's support - Goodwin J. Knight!"

TAXPAYERS SAY: "Knight doesn't just talk a good job. He does it. He said he wouldn't ask for more taxes while millions lie in the State vaults - and he didn't. He submitted a careful, constructive economy budget - and won Legislative backing for it!"

BUSINESS SAYS: "California's governmental training system has given Goodwin Knight 7 years of experience, as Lieutenant Governor, in dealing with Statewide problems. The apprentice system works in Labor. It works in Business. Governor Knight's record proves that it works in Government!"

Let's not trade a man who knows the job - for a man who's willing to learn."

PARENTS SAY: "Governor Knight cracked down on the youth-destroying narcotics traffic and made the first move in 20 years to clean up liquor control!"

GOVERNOR KNIGHT SAYS: "Government's true function in a democracy is not to rule, but to serve - with humble respect for the God-endowed rights of each individual citizen."

DEMOCRATS SAY: "The Cornerstone of Democratic Government is not the Party - but the Man. And this year the Man is Knight!"

ON ELECTION DAY - JUNE 8 - ALL CALIFORNIA WILL SAY KNIGHT IS RIGHT FOR CALIFORNIA!

pennant next year.

Throwin' the Bull... Boy! Am I ever proud to live in Lemon Grove. I can almost bust a vest button with pride. I've kept this quiet but I feel that I can no longer keep it surreptitious.

Recently I've noticed more and more Negro people throughout

the Lemon Grove area. Especially in "Big Ace" market where I work. Whenever I notice some negroes around I sit back and watch other people to see what their reaction is. And I can thank the good Lord that there is none. I thank the good Lord again that the fine people of Lemon Grove accept these dark-skinned people as they would any other person. Maybe my observations have

slipped a little, but from all appearances it seems that there is hardly any prejudice or cold feeling toward Negroes in Lemon Grove.

I want to congratulate the people of Lemon Grove for being wonderful humans and dependable neighbors. This proves that Lemon Grove is stepping right along with civilization.

Whenever I get a chance to talk to these people I try to be as polite as possible and they really appreciate it. You can almost always see that look on their faces. It's a look of uneasiness—not knowing whether the white person is going to smile or frown at them.

Let's keep the friendliness going full-blast at all times. After all they are equal to us mentally, physically, spiritually and socially. And most of all they are God's children and are to be respected and loved if you want to be a faithful Christian.

When Dan Walsh was nabbed robbing a Glendale liquor store he proudly handed police his gun with eight notches. "Every one is for a robbery," he announced happily.—FORTNIGHT.

Civil Defense Directors of San Diego County have mutually agreed not to participate in the monthly State-wide siren tests scheduled for June through October 1954.

Local directors intend to continue the presently scheduled Monday noon tests which consist of one minute of the "Alert" signal, followed by one minute of silence, ending

of the popular rounds. There will be some square dancing during the evening if the group wishes. Contact Roy Close, HO 6 5307.

Now, this can't be construed as politics. Heck, we haven't even called anybody any names. Just talked about a couple of friends of ours who we know will make fine representatives.

We are happy to relate that Lemon Grove's elder Statesman, John Landesco, is recuperating at home after a serious illness which sent him to Paradise Valley Sanitarium. Doc Brumbaugh advises only a limited number of visitors at present so you'd better check first before calling on him.

Ever notice how much he resembles Army Counsel Joseph Welsh in both looks and speech?

—ML—

Any club or organization desiring a relief from the heavy political programming going on would do well to try to schedule Golden Ave. Elementary School Talent show. Well poised and talented young people.

—ML—

We think we should all be mighty proud of our Fire Dept. The Dept. takes a back seat to none in the County and we can show our appreciation by buying a ticket to the Firemen's Ball June 4th at the School Cafeteria. Net proceeds go to the Firemen's Relief Assn. a well organized, capably-run organization. Some of its activities include Junior Fire Chief School Program (which has created wide interest throughout the State). The boys at the department have also spent many long hours in their off duty time helping with all civic events.

Tickets are a buck a throw and worth every penny. Good band, entertainment, and refreshments.

Frankly we suffer through those TV cigarette commercials for just one reason. Someday it's gotta happen. The smoke will go down the wrong way! Sadistic thought, isn't it?
